COMMENTS

VENOVOX made five attempts to contact the above-mentioned company to proceed with the act of employment verification, however, none of the attempts were successful. VENOVOX then had attempted to contact the above-mentioned company via email; even so, no reply has been received.

Therefore, VENOVOX advises the client to provide the candidate's former reporting superior's details to further proceed with the verification.

PERFORMANCE ASSESSMENT

VENOVOX Sdn Bhd had approached Mr. Jack Tam Zong Yuan, one of the Managers of Channel and Servo Characterization Department at Western Digital (M) Sdn Bhd for a work performance assessment. The assessment provided by the reporting supervisor is on the candidate's credentials and skills for a fair employment opportunity and is solely for the purpose of an evaluation for a possible employment offer/termination of an offer, whichever is deemed fit and proper by the client company. It is further attested that the performance assessment obtained is in line with the candidate's position in Western Digital (M) Sdn Bhd.

The candidate has been serving the company for a period of 9 years. He has received a promotion during the full term of employment in the organization. It is further submitted that the candidate had joined the organization under the normal recruitment process terms.

Zhi Hou's job function was to provide reports on engineering testing. He was also required to deal with internal customers to ensure that there is active progress and adherence to the designated schedules. Zhi Hou was also responsible for highlighting any issues, problems, accidents or incidents to the management. Overall, Sia Zhi Hou has a thorough and meticulous working attitude, and consistently supported the Engineering Department with their day-to-day operation.

RATING SCALE	
1.00 – 2.00	Unacceptable / Poor Performance / Does Not Meet Requirement
2.01 – 2.50	Needs Improvement / Below Average
2.51 – 3.50	Average Performance / Mediocre Demonstration
3.51 – 4.00	Good / Satisfactory / Meets Expectation
4.01 – 4.50	Excellent / Very Good
4.51 – 5.00	Exceeds Requirement / Outstanding Performance

JOB KNOWLEDGE:

Score: 4.70 (Exceeds Requirement)

To begin with, Mr. Jack Tam had ranked Zhi Hou's overall work performance as 9 out of 10, as he has delivered his task diligently. He has excellent skill and mastery of the engineering field and had displayed good ability to catch up with the department's fast work pace. Therefore, it was fairly easy for Mr. Jack Tam to supervise Zhi Hou, as he is a fast learner and he could understand his job functions properly. In fact, Zhi Hou is an obedient staff and never fails to follow his supervisor's instructions.

TEAMWORK:

Score: 4.80 (Exceeds Requirement)

According to Mr. Jack Tam, Zhi Hou is a good team player as he has demonstrated genuine commitment and great effort as a part of the team. He was able to achieve rapport quickly and maintained a good relationship at the same time. Personality-wise, Zhi Hou is a pleasant, outgoing and approachable person. Overall, Mr. Jack Tam remarked Zhi Hou as a reliable, respectful and helpful staff of the company.

COMMUNICATION SKILLS

Score: 4.00 (Satisfactory)

Zhi Hou's verbal skill has been regarded to be merely "satisfactory" in order to perform his tasks accordingly. He was able to communicate clearly with his teammate and supervisor during work. As a Staff Engineer, Zhi Hou has demonstrated good ability to comprehend complex and simple messages during work. He managed to analyze and perform his duties accordingly. In addition, Zhi Hou has good listening skills – he pays attention to instructions and provides accurate response appropriately. However, he needs to improve his spoken English and report writing skills as this is fairly important for a Staff Engineer.

WORK ETHOS:

Score: 4.70 (Exceeds Requirement)

Mr. Jack Tam praises Zhi Hou's excellent work attitude. He is an overall diligent, enthusiastic, and committed worker. Based on their records, no disciplinary actions were taken on the candidate. He also has no issues of attendance and appears to be punctual for meetings and discussions.

INTEGRITY AND CREDIBILITY:

Score: 4.70 (Exceeds Requirement)

Sia Zhi Hou has delivered good integrity and credibility during his work tenure. He is a responsible staff and is never afraid to admit his mistakes or errors. He also learns from his mistakes and takes full responsibility for them.

AREAS FOR IMPROVEMENT:

1. **Progress Development**
   - **Zhi Hou should improve more on his writing and verbal skills for his career development.**

OTHER RECOMMENDATION(S):

1. **Recommendation for a hire**
   - **Yes**
2. **Rehire if opening available**
   - **No Comment**

TERMINOLOGY

TERMINOLOGY	DESCRIPTION
PERSONAL IDENTITY VERIFICATION	Check is conducted using an 'identity document' to validate the authenticity of a candidate's identity & citizenship based on an electronic data source against the candidate's personal information. Some countries issue formal identity documents (national identity card), but in others, various documents are used to validate identity. Most countries also accept 'Passports, Driving License and Birth Certificates' as a form of identification. In SEA, not all countries have national ID. In Malaysia, MYKAD is a compulsory identity card, issued by the National Registration Department of Malaysia to all Malaysian citizens and permanent residents 12 years old or above in order to validate the proof of identity and citizenship other than the birth certificate.
ADDRESS VERIFICATION SERVICE (AVS)	The Address Verification Service (AVS) is a fraud prevention system that, when used effectively, can help to limit fraud and chargebacks. AVS works to verify that the address entered by the candidate matches the provided information.
EDUCATIONAL SCREENING	Verification is conducted on all academic records earned by the candidate, starting from the highest or the latest academic certificate on degree obtained, dates of completion and the title of the certificate earned.
EMPLOYMENT SCREENING	Verification is conducted on the employment held by the candidate, verifying dates of tenure and position held, last drawn salary, promotional information, eligibility for rehire and reason for leaving. The report here contains all the above information from HR file and also covers disciplinary records.
REFEREE INTERVIEW AND PERFORMANCE ASSESSMENT	An interview with the referee(s) or ex-reporting supervisor(s) on job appraisal gathered via direct approach for an insight understanding of a candidate's job performance, critical information on capabilities and skill, overall contribution to company, networking aptitudes and character demeanor.
PROFESSIONAL MEMBERSHIP SCREENING	A search performed to check on the candidate's professional body membership and certificates.
INCRIMINATING RECORD SCREENING	This nationwide search generally reveals warrants, pending cases, felony and misdemeanor (minor & serious offences), convictions/sentences and accusations made, but 'No Further Action' was taken.
BANKRUPTCY RECORD SCREENING	A search for the civil record in the insolvency department on information of a candidate with regard to his/her bankruptcy status following a court order known as Adjudication Order for non-payment of debt. The search will be conducted with the insolvency department of the respective country.
CREDIT SUMMON & DEFAULT SCREENING	A thorough and diligent review on the candidate's creditworthiness. The search result would surface civil court records where a Summon have been issued for failing to honor repayment or on any highlighted defaults by a creditor on a matter which may eventually be considered for a civil/small claim action.
BANK NEGARA MALAYSIA (CCRIS) RECORD	Central Credit Reference Information System (CCRIS) is a system created by Bank Negara Malaysia (BNM) which creates credit information about a borrower or potential borrowers into standardized credit reports. It gives information on all outstanding payments, special attention accounts and loan application status made by individuals. A negative CCRIS record is a 'blacklist' record as it can prevent an individual from getting a bank loan approved. A negative CCRIS record includes having existing loans overdue for 3 months and above.
DRIVING VIOLATION SCREENING	A driving record includes information about a driver and their driving history. It will include traffic violations and convictions, speeding and traffic tickets or even a more serious offense like a DUI (driving under influence). It is a collection of records from the Department of Motor Vehicles (DMV) and police.
MALAYSIAN ANTI-CORRUPTION COMMISSION (MACC) RECORD SCREENING	The Malaysian Anti-Corruption Commission (MACC or SPRM) is a government agency in Malaysia that investigates and prosecutes corruption in the public and private sectors. A search here will report on the possibility of a corruption charge(s) filed for the act of giving or receiving of any gratification or reward in the form of cash or in-kind of high value for performing a task in relation to his/her job description.
ADVERSE DIRECTORSHIP RECORD	This report contains information of a candidate's current and previously held directorships, as well as any disqualifications on their record. A current or previous directorship in a candidate's record could cause a conflict of interest you as well as a disqualification might suggest the candidate is either unsuitable or is barred from doing so.
STUDENT LOAN SCREENING	A search performed to check on the candidate's loan with the government and non-government bodies.
TRAVEL BLACKLIST SCREENING	A search on the candidate's restriction to travel imposed by the Immigration for a number of reasons.
INTERPOL RECORD SCREENING	INTERPOL (International Criminal Police Organization) is an international police agency that helps other law-enforcement agencies to track criminals who operate across national borders. It is a global law enforcement platform with 194 member countries which work together to fight international crime. National police can search the databases in real time as part of their investigations. This can be done via their INTERPOL National Central Bureau. They offer support in locating fugitives around the world. The databases contain millions of records contributed by countries with individual's information related to criminal activity and crimes in three global areas, namely, terrorism, cybercrime, and organized crime. A search here will report on whether the candidate is on the run for some international crimes committed across nation.
